*Allowance Bundle Plans provide an included allotted time for calls to Fixed, Cellular, Voicemail, and IsatPhone Pro for the minute amount stated. Once you exceed your allowance, the per minute fees apply. Calls to Iridium, Globalstar, and other satellite phones not listed are always charged per minute and not included in the allowance.

**Optional added service. Reduces costs to incoming callers by providing an Arizona Area Code (e.g. 480-XXX-XXXX). Also known as "Plus One Access".

† Includes 10 minutes, after which the above "Per Minute Fees" will apply. 2 year contract. Monthly billing.

†† \$1.29 for calls originating inside North America, \$1.84 for calls originating outside North America

‡ Available in North America only and includes calls placed and received from home service area of the US, Canada or Caribbean. Calls to areas outside the North America Home Service Territory are subject to roaming charges. Find out roaming charge prices per region by using the Roaming Calculator Tool located on the Satellite Phone Page. One year contract, billed monthly.
