

Jabra UC VOICE™ 150

# BASIC UC HEADSET FEATURING SUPERIOR CALL CLARITY

## DESIGNED FOR THE OCCASIONAL USER

The Jabra UC VOICE 150 is a corded headset designed specifically for Unified Communications deployments. It's a cost-effective model for light use by office professionals in both small and large office environments.

## MAXIMUM IMPACT, MINIMUM COST

The headset is a cost-effective investment with the well-known high-quality Jabra standards for both visual design and sound quality.

## WORKS WITH ALL MAJOR UNIFIED COMMUNICATIONS PLATFORMS

The Jabra UC VOICE 150 is certified and optimized with all leading Unified Communications platforms and is fully functional with the latest generation of softphones.

## EASY TO DEPLOY AND OPERATE

Simply connect the headset to the computer and it is ready for use\*. The intuitive call control unit attached to the cord allows for fast user adoption.

## CRYSTAL CLEAR SOUND

The headset features superior call clarity for softphone calls, conference calls, live presentations and other multimedia applications. The microphone includes a noise reduction feature ensuring that the recipient cannot hear background noise from the speakers surroundings. This makes the headset suitable for use in louder office environments.

## FLEXIBLE BOOM ARM TIP FOR OPTIMAL POSITIONING

The Jabra UC VOICE 150 has a armtip to ensure the ideal microphone placement.

1. Crystal clear wideband sound for both peer-to-peer and conference calls
2. Soft and comfortable velour ear cushions
3. Adjustable headband
4. Microphone with a superior noise reduction feature
5. Flexible boom arm tip for easy microphone adjustment
6. Intuitive call control unit for fast user adoption
7. Plug-and-play USB connectivity

\* Download free drivers from [www.jabra.com/PCsuite](http://www.jabra.com/PCsuite) to ensure call control functionality. The Jabra PC Suite is a plug-and-play software solution that is compatible with all leading Unified Communications Platforms. Jabra PC Suite IT Deployment Tool enables mass rollouts, thereby ensuring that the deployment is cost and time-effective.

GN Netcom is a world leader in innovative headset solutions. GN Netcom develops, manufactures and markets its products under the Jabra brand name.
