## Welcome

This quick guide takes you through the initial setup of your EGO FLASH.

Please refer to your mobile phone operating instruction to familiarize yourself with its Bluetooth functions. Please check the EGO FLASH phone supported list (available at [www.egohandsfree.com](http://www.egohandsfree.com)) to make sure your phone is compatible with the unit prior to installation.

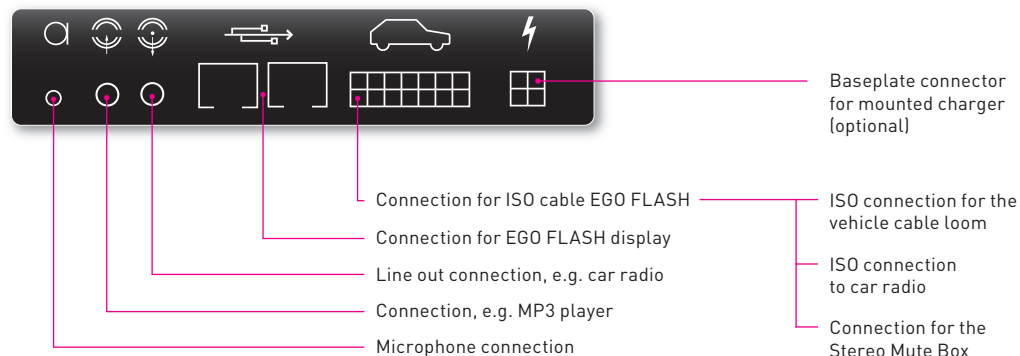

More information and detailed operating instructions can be found on our website at [www.egohandsfree.com](http://www.egohandsfree.com).

If you have more questions; please visit [www.egohandsfree.com](http://www.egohandsfree.com) or call our support hotline +1 (858) 566-2170 (Mon – Fri, 8 AM to 5 PM [PST]).

12		
13	Black	EGO audio input (-) from Radio or Amplifier
14	Green	EGO audio output (-) to Speaker

View of the plug side, from which the wiring is fed in the plug housing (with pin allocation)

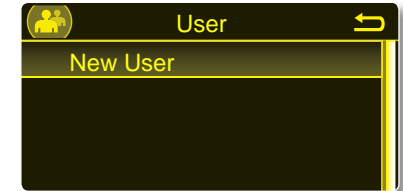

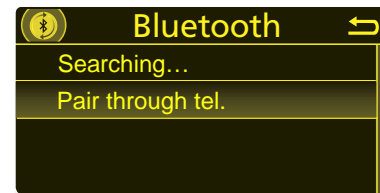

## Initial Operation

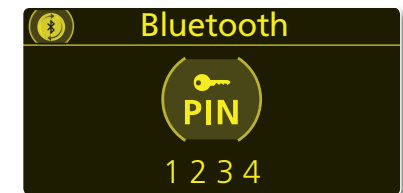

1. Select "User management"

2. Create a new user by selecting "New user"

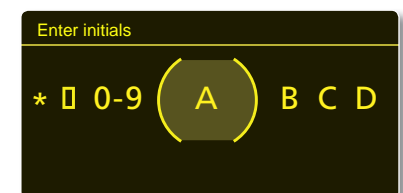

3. Select "Pair through tel."

4. The system generates a unique PIN code.

5. Search for Bluetooth devices with your mobile phone and enter the provided PIN code – for more information, please refer to the manual of the mobile phone.

6. Enter user initials and confirm

7. Pairing process completed – the system is now ready to use

## Key functions:

- Key answer call, activate voice control, play, pause, menu item select, letter and numbers select
- Key reject a call, end a call, enable phone based voice commands, stop, return to previous menu level, cancel action
- Key scroll right or down, next track
- Key scroll left or up, previous track
- Key scroll up or left, increase volume
- Key scroll down or right, decrease volume

## Voice commands:

Activate the voice commands by pressing and holding the button, until you hear "main menu". For a quick tutorial say "help" after you have heard the prompt "main menu".
