SEE THE WORLD HANDS-FREE!

## **Quick User Guide**

Blue Warrior Car Kit.

## **FCC Statement**

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

## **Bluetooth**

Bluetooth is a trademark of the Bluetooth SIG, Inc. (Special Interest Group)

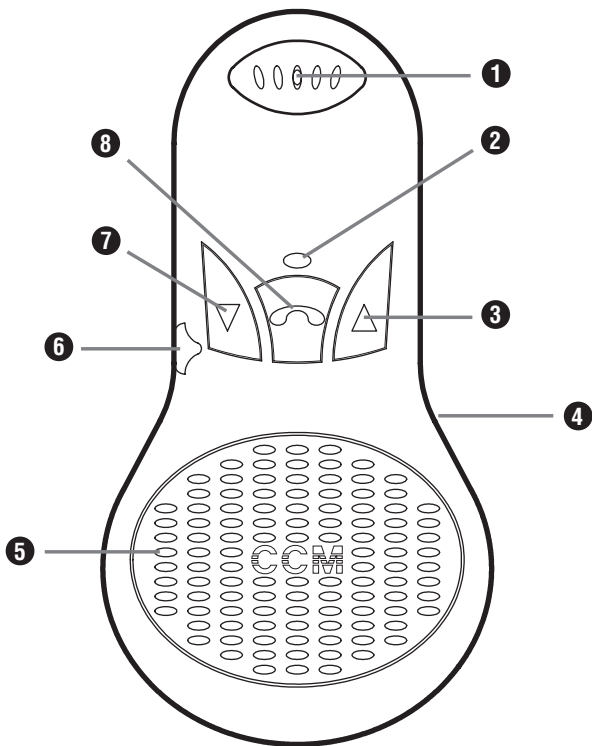

The Bluetooth trademarks are owned by Bluetooth SIG, Inc. USA.

CCM Inc. and Bluetooth

CCM is an Associate Member of the Bluetooth Special Interest Group (SIG).

## **User Guide**

THE BLUE WARRIOR CAR KIT CAN ONLY OPERATE IF YOU HAVE A PHONE WITH BUILT-IN BLUETOOTH CAPABILITY OR A PHONE WITH A BLUETOOTH ADAPTER CONNECTED TO IT.

**1** Noise canceling microphone.

**2** LED in-use indicator.

**3** Volume control up button.

**4** Adjustable swivel connector.

**5** Advanced speaker technology.

**6** Optional external microphone or Headset for privacy mode.

**7** Volume control down button.

**8** Function button (Power/Talk/Pairing).

## Pairing

When red light of car kit is on, start with step 1.

- 1- Turn on the mobile phone.
- 2- Press and hold the function button for two seconds the blue light flashes rapidly, then the red and blue light flashes to indicate that the car kit is ready for pairing.
- 3- Start the pairing process according to the operating manual of the bluetooth mobile phone.
- 4- the mobile phone will find the CCM car kit.
- 5- When prompted by the phone enter the pass code (0000).
- 6- Check your mobile phone display to see if pairing was successful.  
The light of the car kit will be blue after pairing.

When you leave your car with the car kit still plugged in the cigarette lighter adapter, the blue light will change to red. When you return to your car, press the function button on the car kit and the connection between your mobile phone and car kit unit will be operational.

## Making a call

Dial the numbers on your mobile phone, press send and you can talk through the car kit or Use Automatic Voice Dialing.

Press the function button until you hear a beep sound and then say the name.

Car kit will repeat requested name and start dialing the number.

(The Voice Activated Dialing is only operational if mobile phone is equipped with this option.)

## **Answering a call**

Auto-answer function is enabled in mobile phone.  
The Car Kit automatically will pickup call.

If Auto-answer is not activated, use the answer key of mobile phone.

## **Ending a call**

Call is disconnected automatically when other party finishes call or press the function button to end call.

## **Adjust volume**

When you press the volume up/down key from the car kit you will hear a tone that indicate the volume status.

You can adjust the volume during a call.

- To increase the volume, press 3.
- To decrease the volume, press 7.

## **Troubleshooting**

### **Answering a call**

If you don't want to receive calls automatically, the mobile phone auto-answer function must be turned Off.

### **Ending a call**

For certain phones you cannot end the call by pressing the function button. End the call by using your mobile phone to end the call.

Automatic voice dialing doesn't work properly.

Make sure that the automatic voice dialing function is enabled on your mobile phone.

No sound contact between Car Kit and phone.

The Car Kit and mobile phone need to be paired to recognize each other.

## **Guidelines for safe use**

Note: Read this information before using your Car Kit.

Product care:

- Do not expose your product to open flames etc.
- Do not expose your product to extreme high and low temperatures.
- Do not expose your product to liquid or humidity.
- Do not throw or bend the product, rough treatment could damage it.
- Do not attempt to disassemble the product.

## **Radio Frequency**

The bluetooth Car Kit communicates by receiving and transmitting radio frequency (RF) electromagnetic fields in the frequency range 2400 MHz.

The output power of the radio transmitter is low, 0.001watt.

The Car Kit is designed to operate in compliance with the RF exposure guidelines and limits set by national authorities and international health agencies.

## **Driving**

Check the laws on the use of mobile phones and hands-free car kits in the areas where you drive.

Always give full attention to the road and park before making or answering a call if driving conditions so require.

## **Limited Warranty**

CCM Inc. warrants that this product is free from defects in design, material and workmanship at the time of its original purchase by a consumer, and for a subsequent period of one (1) year. If, during the warranty period, this product fails to operate under normal use and service, due to defects in materials and workmanship, CCM Inc. will at their option, either repair or replace the product in accordance with the conditions stipulated here in:

## Conditions:

1. The warranty is valid only if the original receipt issued to the original purchaser by the dealer, specifying the date of purchase, is presented with the product to repair or replace. CCM Inc. reserves the right to refuse warranty service if this information has been removed or changed after the original purchase of the product from the dealer.
2. If CCM Inc. repairs or replaces the product, the product shall be warranted for the remaining time of the original warranty period or for ninety (90) days from the date of repair, whichever is longer.

Replaced parts or components will become the property of CCM Inc.

3. This warranty does not cover any failure of the product due to normal wear and tear, or due to misuse, including but not limited to use in other than the normal and customary manner, in accordance with instructions for use and maintenance of the product. Nor does this warranty cover any failure of the product due to accident, modification or adjustment acts of God or damage resulting from liquid.

4. There are no express warranties, whether written or oral, other than this printed limited warranty. All implied warranties, including without limitation the implied warranty of merchantability or fitness for a particular purpose, are limited to the duration of this limited warranty. In no event shall CCM Inc. or its vendors be liable for incidental or consequential damages of any nature whatsoever, including but not limited to lost profits or commercial loss. To the full extent those damages can be disclaimed by law.

Some countries/state do not allow the exclusion or limitation of incidental or consequential damages, or limitation of the duration of implied warranties so the preceding limitations or exclusions may not apply to you.

The warranty provided does not affect the consumer's statutory rights under applicable national legislation in force, nor the consumer's rights against the dealer arising from their sales/purchase contract.
