

Tangle-free cable

Rich, stereo sound

Ultralight and compact

plantronics

Great sound in a small package

BackBeat® GO

Plantronics BackBeat GO wireless earbuds – incredibly small, amazingly light. Perfect for music, chats, games...whatever. Get Going.

BackBeat® GO

Love the sound, lose the cord. No wires, no hassle, no compromise. Easily slips into your pocket, but still packs full-on stereo sound. So you can listen to music, chat with friends, or watch movies on your tablet. Even play games on the go. Comfort? No problem. There are three sizes of cushioned eartips and two stabilizers for a secure, comfortable fit. Incoming call? Inline controls let you pause music to take a call, adjust volume, or skip tracks when listening to music.

- Amazingly light, incredibly small wireless stereo earbuds with Bluetooth® technology
- Compact design easily slips into your pocket, and tangle-free cable keeps things simple
- Enjoy your favorite music or movie with up to 4.5 hours of listening and talk time
- Three sizes of cushioned eartips and optional stabilizers make the fit custom, secure, and comfortable
- Inline controls make it easy to take calls, skip tracks, and adjust volume
- Bluetooth® technology lets you connect to smartphones or tablets for music, movies, and calls
- Big sound in a small package – sound isolating buds for rich stereo
- Headset battery meter automatically shows on screen for iPhone® and iPad®
- Download the Plantronics MyHeadset™ app for a battery headset meter on Android 3.0 tablets, and Android™ 4.0 phones and tablets

PAIRING IS EASY
