FCC CONFORMITY STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation

Modifications: Modifications not expressly approved by Kensington may void the User's authority to operate the device under FCC regulations and must not be made.

RADIATION EXPOSURE STATEMENT

The product comply with the FCC portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

INDUSTRY CANADA CONFORMITY

This device has been tested and found to comply with the limits specified in RSS-210. Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

RADIATION EXPOSURE STATEMENT

The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

CE DECLARATION OF CONFORMITY

Kensington declares that this product is in compliance with the essential requirements and other relevant provisions of applicable EC directives. For Europe, a copy of the Declaration of Conformity for this product may be obtained by clicking on the Compliance Documentation link at www.support.kensington.com.

INFORMATION FOR EU MEMBER-STATES ONLY

 The use of the symbol indicates that this product may not be treated as household waste. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. For more detailed information about recycling of this product, please contact your local city office, your household waste disposal service, or the shop where you purchased the product.

CONFORMITÉ AUX NORMES D'INDUSTRIE CANADA

Cet appareil a été testé et s'est avéré conforme aux limites établies par RSS-210. L'opération est sujette aux deux conditions suivantes : (1) Ce dispositif ne peut causer d'interférence, et (2) Ce dispositif se doit d'accepter toute interférence, incluant toute interférence pouvant causer des résultats indésirables.

DÉCLARATION D'EXPOSITION AUX RADIATIONS

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les États-Unis et le Canada établies pour un environnement non contrôlé.

Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

DÉCLARATION DE CONFORMITÉ CE

Kensington déclare que ce produit se conforme aux exigences essentielles et aux autres articles des directives applicables de l'EC. Pour l'Europe, une copie de la Déclaration de conformité peut être obtenue en suivant le lien Documentation de la conformité à www.support.kensington.com.

INFORMATIONS POUR LES PAYS MEMBRES DE L'UE SEULEMENT

Ce symbole signifie que ce produit ne doit pas être traité comme un déchet ménager. En garantissant le traitement adéquat du produit lors de sa mise au rebut, vous contribuez à la prévention des conséquences néfastes sur l'environnement et sur la santé humaine qui pourraient être causées par un traitement inadéquat de ce produit. Si vous avez besoin d'information concernant le recyclage de ce produit, veuillez contacter votre autorité municipale, votre service de collecte de déchets ménagers ou le magasin où vous avez acheté le produit.
